GAME COMFORTABLY. IN STYLE.

Reducing unnecessary strain on your wrists, arms and shoulders while making your gaming station more expressful, the WR5 is the perfect way to upgrade your typing experience. This keyboard wrist rest is made of durable resin and comes with a bottom-printed transparent design and anti-slip silicone feet, keeping it firmly in place.

65% SIZE.

The compact size of this wrist rest is a perfect fit for the CHERRY XTRFY K5V2, and especially suitable for keyboards in the 65% format.

TRANSPARENT RESIN.

The bottom-printed transparent design is not only a stylish addition to your desk – the material is also highly durable, scratch-resistant and easy to keep clean.

4 EDITIONS.

The WR5 comes in a range of different editions to match the theme of any setup. Pick a colorway to elevate your existing setup, or combine it with a Litus White, Pink, Blue or Red GP5 XL mousepad for a perfect match.
